

## Please show your support and join the Boght Hills PTA!

PTA is a national not-for-profit association of volunteers that advocate for our children and our schools. Boght Hills PTA provides a wide variety of activities that benefit our children throughout the school year. We strive to provide programs that enrich our children’s lives and promote the family-educator connection.

The cost to become a PTA member is **just \$8** per person and is truly one of the best investments you will make in your child’s school experience this year. **Each PTA member will receive a FREE copy of the highly coveted Boght Hills Student Directory!** Please note that membership is the only way to secure your copy of the Directory, which includes class lists and contact information for all families wishing to be listed. Please check out [nyspta.org/yourpta/yourpta\\_membership\\_benefits.cfm](https://nyspta.org/yourpta/yourpta_membership_benefits.cfm) for additional member benefits.
