

PTA is a national not-for-profit association of volunteers that advocate for our children and our schools. Boght Hills PTA provides a wide variety of educational and fun activities that benefit our children throughout the school year. We strive to promote the family-educator connection both inside and outside the classroom.

Please show your support and join the Boght Hills PTA!

PTA membership is individual and needs to be renewed annually. The cost to become a PTA member is just \$10 per person - each parent or guardian is invited to join. Membership dues go toward funding local and school programs as well as larger local advocacy efforts. **In order to receive the Boght Hills Student Directory, you must be a PTA member.** The directory is FREE with membership and includes class lists and contact information for all families wishing to be listed. Please note, the school is not allowed to release this information to parents directly and you will only have access through the directory.

Sign up today:

- ✓ Complete the bottom portion of this form and return with payment to school with your child: **c/o PTA MEMBERSHIP.** Cash or check (Payable to Boght Hills PTA).
